Clifford M. Dent
Dent Breakaway Industries
PO Box 6007
Farmington NM 87499

Dear Mr. Dent

This note is to verify that we have had one installation of a ground mounted guide sign on Interstate 180 using a Dent Omni-directional mount for approximately four years. The sign is 180"X54" supported on two 6"X6" I beams.

The sign has withstood winds of in excess of 70 miles per hour with no problems noted.

Ronald D. Dooley

A handwritten signature in black ink that reads "Ronald D. Dooley".

Traffic Control Engineer
